MOAB, Utah (AP) — Three trapped miners, haggard and near collapse, were pulled to safety from a 2,700-foot mine shaft. Rescue was on the way for at least six more miners known to be alive somewhere below the 2,700-foot level of the potash mine. Twenty-five miners were trapped by an explosion at the bottom of the mine shaft late Tuesday afternoon. The fate of the other 16 still was not known.

**By R. GREG NOKES**  
MOAB, Utah (AP)—Rescuers ran into deadly carbon monoxide gas today in the depths of a potash mine in which 25 men were entombed by an explosion. Presence of the gas further dimmed already slim hopes the men would be found alive. State Mine Inspector Steve Hatis said the gas was discovered at the bottom of the 2,712-foot shaft, one of the largest and deepest in North America.

The missing men are somewhere beyond and below that level in one of two lateral tunnels extending from the base of the main shaft. Before rescuers can go farther, Hatis said, they must establish a new air supply in the main shaft, which goes straight down the distance of nearly 10 football fields.

He said this would involve installing new tubing in the bottom of the shaft and pumping in fresh air. The old tubing was destroyed by the explosion. The mine inspector said it would take about five or six hours to complete the new ventilating system and continue the search. However, Hatis held out hope the men might still be alive. He said they could have found air pockets in the two lateral tunnels in which they were working.

## Housemaid Tries to Shoot Actor

VAN NUYS, Calif. (AP) — A former housemaid was arrested for attempted murder after actor George Montgomery said she took a shot at him.

Police said a note in the woman's purse said she was going to kill Montgomery and herself because she didn't want him running around with those stupid-looking glamour girls.

Ruth Wenzel, 37, worked for Montgomery and his divorced wife, Dinah Shore, five years ago.

Montgomery, 46, said he spotted Miss Wenzel when he walked into his house Tuesday with airline stewardess Jo Ponce, 25. The maid rushed into a bedroom, pulled a .38 caliber revolver from under a pillow and pointed it at Montgomery, he said. When he grabbed it, it discharged. The shot left powder burns on the actor's face.

Police quoted Miss Wenzel as saying she broke into Montgomery's house Sunday and remained there until the actor returned from New York.

Police said the note in her purse read in part:

... Would you please see that I get buried together with George. I love him so very, very much. ...

Montgomery refused to discuss the maid or her story.

## Drills Seek 3rd Trapped Coal Miner

By STANFORD H. BENJAMIN

HAZLETON, Pa. (AP) — Rescuers, spurred by their success in raising Henry Throne, 28, and David Fellin, 58, from a coal mine cave in, drove a 12-inch shaft about 305 feet through earth, rock and coal into a void today, searching for Louis Bova, 54, missing since Aug. 13 in the same mishap.

Meanwhile drilling of two other probes was underway.

Mine officials said the drill on the 65-ton rig broke through into some kind of chamber about 6:15 a.m.

The officials said they would be unable to say if it was successful in reaching Bova until the drill pipe was removed and microphones and possibly a camera could be lowered, in a matter of hours. The drill started at 5:45 a.m. Tuesday, but drilling was halted by a six-hour breakdown.

Officials said they hit the void at the spot Fellin told them to drill. Fellin had also directed the miners where to sink a successful 18-inch escape shaft to him and Throne.

A three-inch probe reached 132 feet at 7 a.m., said officials. A six-inch shaft, started early today, hit 88 feet by 7 a.m.

Meanwhile mine officials said they plan to close the mine for safety reasons.

The six-inch shaft is similar to the one which reached Fellin and Throne.

## Johnson Is the New Governor of Mississippi

By JAMES SAGGUS

Associated Press Staff Writer

JACKSON, Miss. (AP)—Lt. Gov. Paul Johnson Jr., militant anti-Kennedy segregationist, ended 16 years of political frustration today, winning the Democratic nomination for governor of Mississippi by a record vote.

Johnson overwhelmed former Gov. J.P. Coleman after a bitter campaign which centered on white voters' deep-rooted opposition to President Kennedy and his civil rights program.

Johnson reminded voters he still faces federal contempt of court charges for his part in temporarily blocking Negro James H. Meredith from enrolling in the University of Mississippi last September.

He also called Coleman the Kennedy satellite candidate.

Coleman supported the President in the 1960 presidential race.

Coleman argued that he was anti-Kennedy, too, saying he erred in 1960.

With 1,861 of the state's 1,877 precincts reporting, Johnson had 258,427 votes, highest even given a gubernatorial candidate, to 193,021 for Coleman.

Johnson faces Republican Rubel Phillips Nov. 5 in what may be more than the usual token race in this overwhelmingly Democratic state. An independent also has announced for the general election.

Johnson, son of a former governor, lost three previous races for the nomination, including one to Coleman in the 1955 runoff. He also was beaten in a race for the U.S. Senate before being elected lieutenant governor four years ago.

Gov. Ross Barnett, barred by law from succeeding himself, joined the crowd of cheering Johnson fans at an election party. He said he voted for Johnson.

There was no indication of how the state's estimated 30,000 Negro votes went. However, in a mock election for unregistered Negroes, Coleman got 26,721 votes to 949 for Johnson.

## Disappearance Still Mystery

PERRYVILLE, Ark. (AP) —

Searchers found the body of W. W. Charton of Little Rock Tuesday, but the case of the death of the 62-year-old man who disappeared Sunday while hunting muscadines remained a mystery.

An autopsy was scheduled today.

Perry County Sheriff Grover Tolley said there was no sign of foul play.

Charton, a painter and decorator, was hunting the grape-like wild vine fruit with his wife and her sister and disappeared while the two women had gone to their car to get food.

His body was first spotted from a Civil Air Patrol plane, ending the two-day search which involved some 100 volunteers. About 250 National Guardsmen were prepared to join the search today, had the body not been found.

## Jones Planning Another Comment

LITTLE ROCK (AP) — State Auditor Jimmie (Red) Jones says he may have some comment on the wording of new contracts for state printing jobs after he finishes his study of the papers.

Opening of bids on some \$1 million worth of contracts was halted several months ago by Secretary of State Kelly Bryant after Jones criticized their wording.

The contracts were re-worded and Bryant has advertised for bids on them, to be opened Sept. 20 at 11 a.m.

Jones did not say when he would make his comment.

## Cotton Harvest Gaining Speed

LITTLE ROCK (AP)—The Little Rock Cotton Classing office of the Agriculture Department said Tuesday that cotton harvesting in the state had speeded up in the past week, with first samples being received from 18 counties.

The office said late planted cotton is shedding squares and small bolls in the driest areas, but a sizeable acreage is being irrigated.

Boll weevil population continues to build up in scattered areas and is a problem in a number of counties.

Interest in new cotton was reported still weak, spot cotton trading continued at a slow pace in central Arkansas markets.

There was some continued demand for medium and higher grades of white cotton at prices ranging from 25 to 75 points above the Commodity Credit Corporation loan rates.

The price of middling, 1-16 inch spot cotton, unchanged from the previous week, remained at 34.35 cents per pound.

## Resolution Might Delay Rail Strike

WASHINGTON (AP)—With the

strike deadline only 12 hours away, the House went to work today on a Senate-approved resolution that would force arbitration to avert a nationwide railroad walkout.

House Speaker John W. McCormack, D-Mass., told reporters he was confident the House would win the race with the clock and get the resolution to President Kennedy for signing into law well in advance of the 12:01 a.m. deadline.

I would think the railroad bill would pass, and pass with a reasonable degree of rapidity," McCormack told newsmen.

I would think that it would get through very quickly.

WASHINGTON (AP) — High government sources expressed confidence today that Congress will whip out legislation in time to avert a nationwide rail strike threatened for one minute after midnight.

Racing the clock, the House takes up legislation ground out Tuesday night by the Senate even as carriers and unions prepared for the possibility of a massive walkout.

The measure would force arbitration to settle the two big issues in the work rules dispute: The elimination of 32,000 firemen's jobs and how many men are needed to run a train.

Under the Senate measure, there would be 180 days for arbitration-negotiations before a strike could ensue if the lesser issues were still unsettled. Further congressional action might be requested then.

House leaders hoped to pass the measure and speed it to President Kennedy for signing before the strike deadline.

With the walkout threat just around the bend, the Senate inched out the throttle, beat down some other proposals and pushed through the emergency measure which is similar to one that had been drafted by the House Commerce Committee.

This is expected to simplify matters, for leaders plan to have the House take up the Senate bill as a substitute for its own version.

That way the House could pass the measure and send it straight to the White House, rather than returning it to the Senate or final action.

Rep. Oren Harris, D-Ark., chairman of the House Commerce Committee, expressed belief the House can act on the measure in time to block the strike which would tie up 195 railroads, practically every major line in the country.

Five operating unions representing the engineers, firemen, conductors, brakemen and switchmen have said they will strike the moment the railroads put into effect the job-cutting new work rules.

Last month, the carriers agreed to hold off on the new rules for 30 days to give Congress time to act.

## Lawrence Votes New Courthouse

WALNUT RIDGE, Ark. (AP)—

Lawrence County voters, spurred by a chance to win \$600, turned out in near-record numbers Tuesday and approved consolidation of the county seats at Walnut Ridge and Powhatan by a vote of 4196 to 374.

The consolidation issue, coupled with a chance of winning \$600, drew 4,570 of the county's 6,352 registered voters to the polls.

Consolidation proposals had been voted down three times previously, the last time in the 1930s. Arkansas law provides that more than half of the registered voters in a county must approve consolidation proposals.

The new county seat will be at Walnut Ridge.

Also approved was a \$150,000 bond issue which will be used to help finance the project and pay off the county's current hospital bonds. The two-mill hospital tax will be continued to pay off the new bonds.

The rest of the financing will come from federal Area Redevelopment Administration funds.

The Lawrence County Development Council, which initiated the election put up \$500 to be given away today after a drawing. Another \$10 donated by merchants and individual contributors will be given away in a separate drawing. Only those who voted in Tuesday's election are eligible.

The council offered the money in an attempt to attract a large

## Writ Dismissed at Paragould

PARAGOULD, Ark. (AP)—Circuit Judge Charles Light dismissed Monday a petition for a writ of habeas corpus that challenged the legality of Paragould's Municipal Court, saying it had not been filed properly.

The petition was filed for Earl Hicks, a farm laborer, by John Watkins, who resigned last winter as municipal judge in a dispute over the court.

Hicks was fined \$150 last Monday and jailed 24 hours after pleading guilty to a charge of driving while intoxicated.

The court was formed by the Paragould City Council in March after Gov. Orval E. Faubus signed a bill passed in the 1963 General Assembly. The bill abolished a 1959 state act that had created the court.

Watkins said he planned to ask the Arkansas Supreme Court to consider the petition, which alleges that the court was formed illegally and consequently deprived Hicks of liberty without due process of law.

ing. They were protesting alleged police brutality and other alleged civil rights violations in Georgia and Mississippi.

After Dawn, the demonstrators were to start gathering at the Lincoln Memorial which will mark the start of the march to the Lincoln Memorial nine blocks away.

Police said they made preparations for 100,000 or so marchers, although some civil rights leaders say as many as 250,000 may show up before the day is done.

Deputy Chief of Police Howard V. Covell said no other Washington demonstration ever had 100,000 participants.

Words of encouragement came from President Kennedy. Although he did not mention the march specifically, he issued a statement saying:

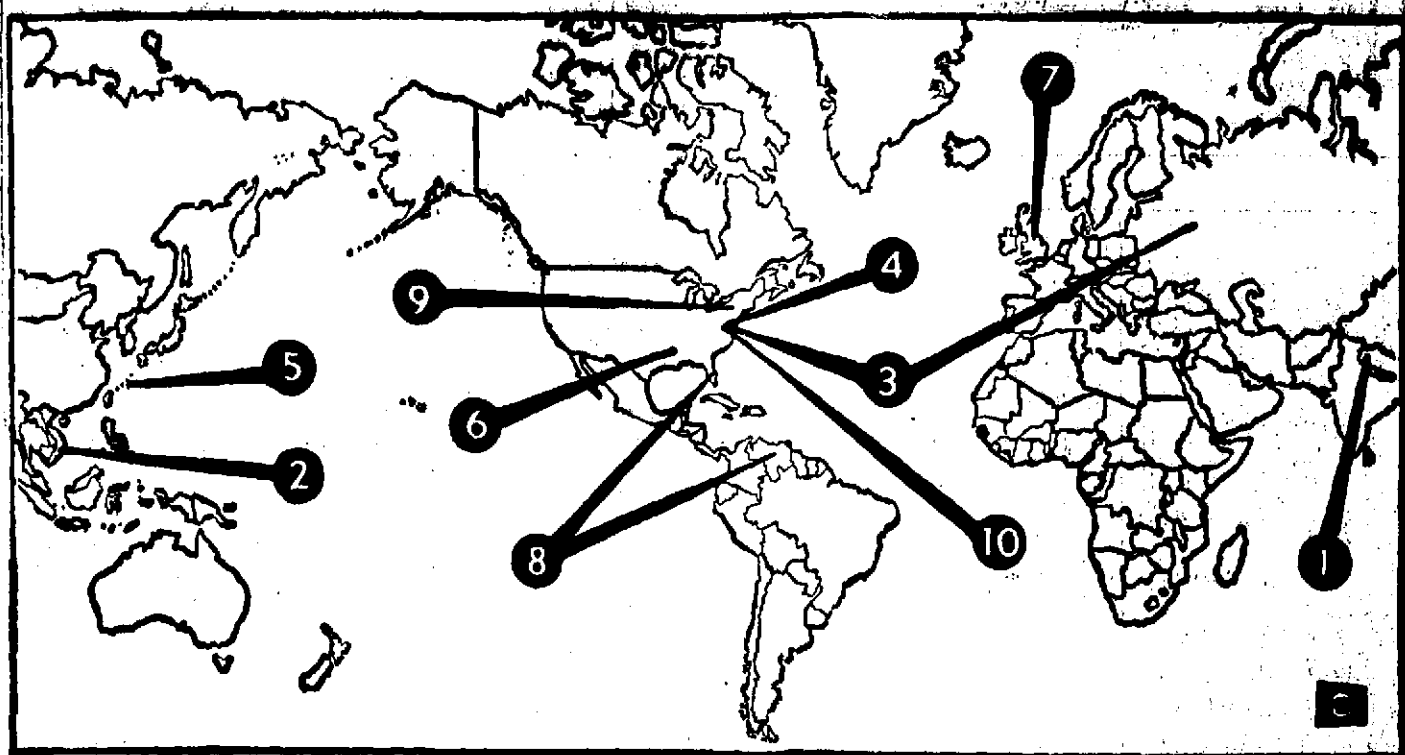

"These recent months, one hundred years after the Emancipation Proclamation, have seen the decisive recognition by the major part of our society that all our citizens are entitled to full membership in the national community."

The gains of 1963 will never be reversed."

The White House described it as a Labor Day statement but released it far in advance to coincide with the march.

DON'T JUMP THE GUN

By HELEN WORDEN ERSKINE

Dear Helen: I am 15 and know very little about sex or boys because my folks are extremely religious and, in consequence, I lead a sheltered life. Nevertheless, boys always try to kiss me. Once in awhile I kiss back, then feel guilty. Is 15 too young to go steady? There's a 19-year-old navy man who wants me to wait for him—he's got two more years to serve. I promised him I would not feel in love with him. Is that because I've not been awakened by sex?

Maybe I'm waiting just to get away from home, because I never feel loved or wanted here. There's another boy I could go for but he doesn't know I exist. How does a girl get a boy to notice her? How can she recognize the one and only when she meets him? — Anxious

Dear Anxious: At 15 it is altogether fitting and proper that you should be inexperienced where sex and boys are concerned. If you already knew a lot at your age, I should be quite pessimistic about your future chances of happiness.

A thousand times yes, 15 is too young to go steady. Why deliberately cut yourself off from the fun, companionship and diversification which can be yours at this particular period in your life? There should be at least another five or six years of formal and informal education before you can intelligently make up your mind with whom you wish to spend 40 years of your life. In your case, I would be highly suspect of a 19-year-old boy who is interested in a girl four years younger than himself. This just isn't normal or natural.

Now for a word on behalf of your parents. From first-hand observation, most parents are doing a fine job considering the terrific handicaps they must cope with, such as the automobile, telephone, TV and ever-changing social conditions. Be thankful that your parents are religious. Try to take a leaf out of their book, instead of complaining about them. I would hardly characterize your life as "sheltered" from the description to date. Put our studies first. Sex love and marriage are post-graduate courses. Send a stamped, self-addressed envelope for my leaflet Sex Education for Teenagers."

Dear Helen: I am a 13-year-old

girl seeking off-season work. My friends either baby-sit or have jobs at local drive-ins. Papa and Mama feel this out of the question since it would involve driving me to and from the job. She suggested baking cookies to sell or taking in ironing, but I dread the thought of a hot oven or steaming ironing board in our 100-degree heat. How can a stay-at-home earn pin money? Mama and I read your column daily and agree with all, most all the advice you give.—Jobless

Dear Jobless: How about a baby-sitting job at home? Minding a small group of young children in your own home for two or three hours every morning or afternoon? Since school days will soon be here you might do this Saturdays then in the spring advertise for

and jade foliage. Mrs. Charles A. Hesterly, organist, presented a program of nuptial music.

Given in marriage by her father, the bride wore a taffeta gown overlaid with nylon organza. It was fashioned with a scoop neckline, long pointed sleeves, and a row of small covered buttons down the bodice back. The long skirt was designed with sunburst pleats at the sides and back. Her elbow-length veil of tulle was held by a headpiece of taffeta rosettes. She carried a ballerina bouquet of white orchids and Frenched carnations.

Miss Lorita Meador was maid of honor and the bride's only attendant. Her street-length dress of blue pima-mist cotton was fashioned after the bride's gown, and her matching veil was attached to a headpiece of blue rosettes similar to the bride's. She carried a ballerina bouquet of Frenched blue carnations.

James Ellis Stewart served the bridegroom as best man. Danny Cox, brother of the bride, and Larry Browning of Hope were ushers.

For her daughter's wedding Mrs. Cox wore a pale blue nylon Jersey sheath dress with beige accessories. Mrs. Wylie, the groom's mother, was attired in a floral pink silk dress with beige accessories. Each had a corsage of pink carnations.

A reception was held in the dining hall of the church immediately following the ceremony. Miss Cathy Cox, sister of the bride, was in charge of the bride's book. Miss Ruth Ann Wylie, sister of the groom served the tiered wedding cake, and Miss Nancy Hillery, cousin of the bride, served at the silver punch bowl.

The bride's table, overlaid with a white organza cloth caught up at the corners with nosegays, was centered with a white porcelain cupid epergne. The centerpiece held white pom mums, carnations, and lily of the valley interspersed with white tulle and flanked by silver candleabra. A traditional bride and groom topped the cake.

When the couple left for a brief wedding trip to central Arkansas, the bride wore a green two-piece knit dress with black accessories and pinned an orchid corsage at her shoulder. Since their return, the newlyweds are at home in Hope.

The bride has completed her sophomore year at Henderson State Teachers College, and the bridegroom was graduated from the same school in May. He received his ROTC commission as second lieutenant in ceremonies at Fort Sill, Lawton, Okla., in July, and will enter the army in December, when he will go to Fort Knox, Ky., for basic training.

Among the out-of-town guests at the wedding and reception were: Mr. and Mrs. Rayburn Powell and Susie, North Little Rock; Mrs. Woodrow Powell, Mr. and Mrs. Charlie Scott, Miss Linda Scott, Little Rock; Mr. and Mrs. Birkett Wylie, Mr. and Mrs. Jon Barabotto, Mr. and Mrs. J. The members surprised Mrs. James Ellis with a pink and blue shower and she received many pretty and useful gifts for the expected arrival. The September meeting will be in the home of Mrs. Jack Sumpter.

**Duplicate Bridge Club**  
At the Hope Country Club Monday night, August 26 there were 3 1/2 tables of players for the Hope Duplicate Bridge Club meeting. R. L. Brbach and Dr. George Wright were the highest scoring couple.

**Cox-Wylie Wedding Rehearsal Held Saturday**  
Mr. and Mrs. Arch Wylie were hosts for the Cox-Wylie wedding rehearsal dinner Saturday night, August 17 in the dining hall of the First Baptist Church of Prescott. The 12 guests, who were served buffet style, included the engaged couple, Miss Ann Cox and Dale Wylie, her parents, Mr. and Mrs. Pershing Cox, Cathy, Mike, and Danny Cox, Miss Ruth Ann Wylie, Miss Lorita Meador, James Ellis Stewart, and the host couple, parents of the bridegroom-elect.

**Cox-Wylie Vows Exchanged Sunday**

The Rev. Larry Gaines of Hope performed the ceremony before a background of gladioli and white mums flanked by seven-branched candleabra with burning tapers

**The First Methodist Church of Hope, Arkansas, was the setting for the candlelight ceremony uniting Miss Penny Franks and Ronnie Formby in marriage on Friday evening, August 23. The bride is the daughter of Mr. and Mrs. J. W. Franks of Hope and the parents of the bridegroom are Mr. and Mrs. Garry Formby of Hope.**

The nuptial music was presented by Luther Hollaman Jr., organist, and Miss Nancy Tooley of Richardson, Tex., soloist.

The Rev. Gladwyn Connell of Hope, assistant pastor, performed the ceremony before an arch of candles and smilax. The candles were lighted by Miss Peggy Franks, sister of the bride, and Miss Robyn Formby, sister of the groom, who wore dresses identical to the bridesmaids' complemented by wristlet corsages. Miss Suzanne Booth was maid-of-honor. Bridesmaids were Miss Tena Pilkinton, Miss Jan Reinhardt, Miss Mary Gayle McRae all of Hope, and Miss Betty Bryant of Little Rock. They wore turquoise dresses of delustered satin. Their tiny pill-box hats were of matching satin and net. They carried cascades of daisies. Betsy Franks, youngest sister of the bride, was flower girl and wore a dress of white organza and carried a miniature basket of daisies.

Garry Don Formby was his brother's best man. Bob Arnold and Vonnice Edwards of Arkadelphia, Tommy Jones, and Billy Walters of Hope, cousins of the bride were groomsmen. Jim Gray of Longview, Tex., was ring bearer.

The bride, escorted by her father, wore a gown of white silk bouquet taffeta. The simplicity of the scoop neckline and the neatly draped cummerbund accented the regal bodice. The bell shaped skirt enhanced with motifs of re-embroidered lace fell from unpressed pleats into a collision train. A satin demi-pill-box hat trimmed with matching lace and seed pearls held her shoulder length veil. She carried a bouquet

of white roses.

For her daughter's wedding Mrs. Franks chose a dress of beige lace and organza with beige accessories. The mother of the groom chose a dress of mint green lace and organza with mint green accessories.

The Hope Country Club was the scene of the reception following the wedding ceremony. The guests were greeted by Judge and Mrs. John L. Wilson. Miss Sandra Gaines presided at the guest register. The registry table was covered with a cut-work cloth, and the only decoration was a white memory candle.

The bride's table was covered with a net cloth over taffeta with large taffeta bows at each corner. The table was centered with a large crystal bowl of white stock and daisies. The three-tiered wedding cake was topped with a miniature bride and groom. Assisting at the brides table were Miss Jan Paulk of Russellville; Mrs. M. C. Reeves of Houston, Tex.; Mrs. Carl Quillin of Texarkana, Tex.; Mrs. Carl Jones, Mrs. Frank Walters, Mrs. Martha Brasler, and Mrs. B. B. McPherson.

Betsy Franks, Gloria Gray, and David Jones distributed rice bags. The bride is the granddaughter of Mrs. Verna Johnson of Texarkana, Texas, and W. T. Franks of Hope.

After a short wedding trip, both

## Farmer Found Shot to Death

CLARENDON, Ark. (AP)—William Walter Bateman Sr., 48, president of the Merchants and Planters Bank of Clarendon, was found shot to death on one of his farms near Clarendon Monday.

Harvey Black, one of Bateman's farm managers, found the body on the edge of some woods just off a dirt road about six miles east of Clarendon. His truck was parked nearby.

Chief Deputy Coroner Al Brown Sr., of Monroe County said Bateman was shot in the head and had been dead about eight to 10 hours. A pistol was found near the body.

Brown said it had not been determined who owned the pistol. He said Sheriff H. K. McKenzie and Prosecutor Bill Lee were investigating.

Mr. and Mrs. Mrs. Formby will return to their studies at Henderson State Teachers College, Arkadelphia, Ark.

Among the out-of-town guests were Mrs. M. C. Reeves of Houston, Tex.; Mrs. Verna Johnson, Mrs. Carl Quillin, Carl James Quillin, and Mrs. J. E. Moore of Texarkana, Tex.; Mr. and Mrs. Aubrey Johnson of Oklahoma City, Don Ellen of Monroe, La.; Mrs. Jack Gray and Gloria of Longview, Tex.; Mr. and Mrs. Alonzo Camp and Mr. and Mrs. Bill Drennan of Little Rock; Mr. and Mrs. Niven Morgan, Miss Kay Martin and George Martin of Shreveport; Carolyn Rawlings and Sammy Barnett of Stuttgart; Allison Correll of DeQueen; Ms. Caroline Kirskey, Rosie and Julie of Dallas, Texas; Ricky Green, W. A. Wingfield of Arkadelphia; Tony Russo of Camden.

## Show Appears as Satire on Hollywood

**By BOB THOMAS**  
AP Movie-Television Writer

HOLLYWOOD (AP)—Chorus boys and girls tripped across the battleship, waving pennants while the stars danced a duet in the foreground.

Shades of Anchors Aweigh and Hit the Deck!

This was not a revival of the light-hearted, simple-minded musicals of Hollywood's past but a spoof thereof. It was a sequence for "What a Way to Go," which appears to be satirizing all Hollywood once held dear.

The stars are Shirley Maclaine and Gene Kelly. They have a dream sequence in which they interpret an Astaire-Rogers dance a MacDonald-Eddy operetta and finally, the battleship number which harks back to Kelly's past. "I'm having a ball," said Kelly. "This kind of thing is easy to satirize."

Shirley finished the battleship number and collapsed in her dressing room.

"This is rough work," she said. "I haven't danced in 12 years, and you've got to keep it up. Oh, I danced in Can Can," but I was

faking it. It gets tougher to fake all the time."

Mind you, she's not complaining. Why should she, with the most impressive list of costars within memory. Kelly, Paul Newman, Robert Mitchum, Dean Martin and Dick Van Dyke?

The gimmick is this: Shirley yearns for the simple things of life. Trouble is, she's always marrying poor slob who turn into millionaires. Bizarre accidents carry each one off to another life and she starts anew, only to end up with millions again.

For the first time I get to wear pretty clothes in a picture," said Shirley.

The bill for the 70 gowns comes to \$375,000, says the studio, Twentieth Century-Fox, which is proceeding on "What a Way to Go" just as if there had been no Cleopatra. Budget: \$5 million. Maybe those good old times are coming back.

Total population of the United Kingdom in 1961 was 52,675,556, according to Britannica Book of the Year.

Downing and Bouton Win Pair for Yanks

By BOB GREEN Associated Press Sports Writer

Two young arms—one left, one right—are the seals on the Yankee dynasty.

They belong to New York pitchers Al Downing, 22, a lefty, and Jim Bouton, 24, a right-hander. Between them contain the promise of Yankee domination of the American League for years to come.

Sunday, Downing had a no-hitter going for seven innings and finished with a two-hit shutout, running his record to 10-4. It was Bouton's turn Tuesday. He had a no-hitter for eight innings, and finished with a two-hit, 5-0 shutout, running his record to 18-6, best on the Yankee staff.

Ralph Terry, at 27, only by comparison, finished off the twin-night doubleheader against Boston with a five-hit, 3-0 job. It was his 15th victory and stretched the Yankees' bulging league lead to 12½ games.

In other AL games, Chicago pulled into a share of second place with idle Minnesota by beating Cleveland 6-1. Kansas City edged Baltimore 2-1 in 10 innings and Detroit topped Los Angeles 4-1 in the only game scheduled.

In the National League, the first-place Los Angeles Dodgers nipped Cincinnati 3-2. San Francisco walloped St. Louis 7-2. Milwaukee edged Houston 3-2 behind Warren Spahn. Pittsburgh got two unearned runs in the ninth and beat New York's Mets 2-1, and Chicago tripped Philadelphia 4-3.

The twin shutouts by Bouton and Terry were the third and fourth in the Yanks' last five games. The Yankee staff has allowed only two runs in the last 51 innings, both in a 2-1, 12-inning loss to Chicago in the second game of a Sunday doubleheader.

Bouton is one of the big surprises. He had only a 7-7 record last season, started this year in the bullpen and has blossomed into the Yanks' No. 1 right-hander.

The hard-throwing youngster had allowed only two base runners and had retired 22 men in order before Boston pinch hitter Russ Nixon singled past his ear leading off the ninth.

Golfers Tune Up for Pro-Am Meet

DENVER (AP) — Touring pro golfers attack the Denver Country club's tree-lined, narrow fairways today in a pro-amateur tuneup for the start Thursday of the \$40,000 Denver Open.

Bob Charles, the left-handed British Open champion, headed a field of 147 pros. Top money winners Arnold Palmer, Jack Nicklaus and Julius Boros have other commitments.

Bob Goalby, winner of the 1962 Denver Open, said after a practice tour of the 6,774-yard, par 35-70 course that he thought the winning score this time would beat his three-under-par 277 a year ago.

After two rounds Thursday and Friday the field will be cut to the low 65 pros, plus ties, and 10 amateurs for the final rounds Saturday and Sunday.

Travelers in Victory Over Columbus

LITTLE ROCK (AP) — Richie Allen and Danny Cater socked home runs and Harry Oliver had a no-hitter for six full innings as Arkansas whipped Columbus 5-2 in an International League Baseball game Tuesday night.

In other league games, Rochester beat Toronto 5-2, Richmond took two from Syracuse, 7-2 and 8-0, Indianapolis trimmed Jacksonville twice, 10-3 and 1-0 in 10 innings, and Atlanta swept a doubleheader from Buffalo, 5-1 and 5-4.

John Herrstein walked for the Travelers in the second inning, went to second on a wild pitch and scored on Mickey Harrington's single off the rightfield fence.

Johnny Upham tripled in the fourth and scored on Cater's home run.

Allen's 32nd homer of the season in the sixth scored Cater, who had doubled.

Oliver, who was relieved in the ninth inning, got the victory, striking out 11 Jet hitters.

Columbus 000 001-2 5 0 Arkansas 010 202 00x-5 8 1 Blass, Blackburn (6), Spencer (8) and MacFarlane; Oliver, Belan (9) and Kenders.

Willie Thinks First Homer Important Too

By DICK BARNES Associated Press Sports Writer

SAN FRANCISCO (AP)—Willie Mays isn't very excited about becoming the 10th major leaguer and first right-handed National League slugger to hit 400 home runs.

My first homer was just as important," Willie said Tuesday night after No. 400 helped his San Francisco Giants to a 7-2 victory over St. Louis. If I hadn't ever hit that one I probably wouldn't have been here for this one."

Mays connected with a Curt Simmons delivery in the third inning and powered it off the top rail of the right field fence and into the crowd.

It was his 32nd of the year and came during a red-hot streak in which Mays is batting .432 this month. He has hit in 12 straight games, 27 of 28, and raised his average to .307.

At his career rate, the 32-year-old center fielder seems likely to erase former Giant Mel Ott's National League record of 511 home runs.

But Mays replied, Don't ask me," when questioned about his

Hope Star SPORTS

Booster Club Important to Athletics

The Hope Booster Club will hold a joint meeting of the members, Bobcat players and coaches tonight at 7:30 in Hammers Stadium. Hot dogs and cold drinks will be served free of charge. The only requirement for admission is a 1963-64 Hope Booster Club card.

This meeting will give each Bobcat Booster a chance to become familiar with the rules changes for the coming year. Bill McClendon, Arkansas high school and Southwest Conference official, will discuss the various changes and will clarify some of the existing rules.

Coach Ben Burton will introduce the players and coaches. Fans will get an idea of what to expect of this year's Bobcat team.

For the benefit of those who are not familiar with the Hope Booster Club, this is an organization of men and women who not only support the Bobcats with their attendance at the games, but who contribute a small donation, \$2.50 per year, to help offset some of the expenses of a year-round athletic program.

The Booster Club for the past few years has filmed many of the Bobcat games so that the players and coaches may look at these films over and over in order to determine mistakes and how to correct them.

The Booster Club set up a weight and isometric program two years ago which has directly contributed to the development of Bobcat football and basketball players. This year's team will no doubt be the biggest and strongest team in Bobcat history with a line averaging well over 200 pounds per man. Other activities of the Booster Club are too numerous to mention.

The Bobcats, coaches and present Booster Club members will appreciate it if you will come out and join the team tonight. Membership cards will be available at the meeting.

Three Berths Left for the U.S. Meet

By THE ASSOCIATED PRESS Former Walker Cup players, led by Bill Campbell and Bill Hyndman, led the way Tuesday as all but three berths were filled in qualifying tests for the U.S. Amateur Golf Championship at Des Moines Sept. 9-14.

Thirty-six-hole competition at 27 scattered sites built the amateur field to 197—with three more to be added today as the Florida sectional completes three days of nationwide qualifying. Of the final field of 200 26 drew exemptions, including defending champion Labron Harris Jr. of Enid, Okla.

Campbell, five times a member of U.S. Walker Cup teams, turned in the finest performance, firing rounds of 69 and 66 for a nine-under-par total of 135 at his home course in Huntington, W.Va., the chances of getting that record.

Told that he was the first National League right-hander to join the 400 Club, Mays shrugged his shoulders and said, That's great, I guess."

Mays' Homer Spells Victory for Giants

By MIKE RATHET Associated Press Sports Writer

Willie Mays has the world on a string, but that hasn't kept the San Francisco Giants from riding a yo-yo in that National League pennant race.

Mays became the 10th major leaguer to reach the 400-homer level when he connected in the third inning Tuesday night, triggering a homer salvo that powered the Giants to a 7-2 victory over St. Louis and into a second-place tie with the Cardinals.

Both the Giants and Cardinals are 6½ games back of pacesetter Los Angeles. The Dodgers, who have held the top spot without interruption since July 2, edged Cincinnati 3-2 as Frank Howard slugged a key two-run homer.

Mays has been trying to keep the Giants within striking distance, but the defending champion a-nancevuggh tip ebogdopions have been going up-and-down with such regularity that they actually have lost ground while Willie has hit safely in 27 of 28 games.

On July 28, Willie was hitting .274 with 22 homers and 55 runs batted in. Since then he has hit 10 homers, driven in 31 runs and brought his average up to .308—and the Giants have fallen from 4½ back to 6½ behind.

While Willie was collecting his 32nd homer, Hank Aaron took over the league lead from the Giants' Willie McCovey. Aaron hit his 35th and Warren Spahn posted his 17th victory in Milwaukee's 3-2 decision over Houston.

Elsewhere, the Chicago Cubs edged Philadelphia 4-3 and Pittsburgh defeated the New York Mets 2-1.

The New York Yankees stretched their American League lead to 12½ games by beating Boston 5-0 and 3-0, the Chicago White Sox belted Cleveland 6-1, Detroit downed the Los Angeles Angels 4-1 and Kansas City nipped Baltimore 2-1 in 10 innings. Minnesota and Washington were not scheduled.

An error by Ken Boyer helped the Giants to a 3-0 lead in the second inning against Curt Simmons, 11-7, before Mays' connected leading off the third. Orlando Cepeda followed with his 21st homer and Felipe Alou made it three in a row with his 16th. That was more than enough for Jack Sanford, who scattered eight hits for a 13-1 record. Julian Javier's two-run homer accounted for the Cardinal runs.

Howard's homer, the first for Los Angeles in nine games, gave the Dodgers a 2-1 lead in the second inning. Then, mustering two of their five hits, the weak-hitting Dodgers put across the decisive run in the third on singles by pitcher Pete Richert and Maury Wills, a wild pitch by Bob Purkey, 6-9, and Wally Moon's grounder. Johnny Edwards homered for the Reds in the fourth but Richert, 2-1, and Ron Perranoski pitched scoreless ball the rest of the way.

Spahn, 17-5 and headed for his 13th 20-victory season, shook off a shaky start and recorded his fifth straight complete game victory behind Aaron's hitting. Aaron tied the score with a two-run homer off Don Nottebart, 8-6, in the fourth, before scoring the tie-breaking run in the ninth when he singled, stole second and came around on singles by Matthews and Joe Torre.

Cassidy, 29, a six-year-NFL veteran with Detroit, Cleveland and the Eagles, played 10 games with Philadelphia as a split end last season before he was sidelined with a broken right leg. He has played only a few minutes in Philadelphia exhibitions this season and his release apparently means that Baylor rookie Ronnie Goodwin has won the job.

He was the best known player to get the ax as the NFL and American Football League made cuts, the NFL teams cutting their rosters to 43, the AFL to 38.

He shares a cabin with 19 men at a vegetarian youth camp. She sleeps in the girls' hut.

Parks Expecting 80 Candidates

FAYETTEVILLE, Ark. (AP) — Some 80 candidates, including 28 lettermen, are expected next Monday when the 70th varsity football team in University of Arkansas history hits the practice field.

Arkansas tangles with Oklahoma State University Sept. 21 in Little Rock in the season-opener for both teams. The Cowboys began practice last Monday.

Coach Frank Broyles already has trimmed the working varsity to 50 players, but he said T-earners could move up in the two-day drills. Fundamentals will be stressed, he said.

Living Costs Show July Increase

WASHINGTON (AP)—The cost of living rose in July by one half of one per cent to a record high for the second consecutive month, the Labor Department reported today.

With food and gasoline leading the way, prices advanced for most major types of goods and services.

The Bureau of Labor Statistics said the July consumer price index was 107.1, compared to the 1957-59 base of 100.

This means it cost \$10.71 in July to buy the same items that could be bought for \$10 in the 1957-59 period.

The July index standing was 1.5 per cent above a year ago, primarily, the bureau said, because of higher prices for food, housing, medical care and tobacco.

The July increase was the biggest since September of last year. Despite this, Arnold Chase, assistant commissioner of the bureau, characterized the over-all situation of the past year as reasonably stable.

As a result of the July cost increase, living allowances based on quarterly reviews were increased by 1 to 3 cents an hour for about 1,250,000 workers, primarily in the automotive, aerospace, and the farm and construction equipment industries. Of these 775,000 will receive a 2-cents an hour increase in the automotive industry.

Increases for 25,000 other workers, largely in the trucking and cartage industry, will range from 1 to 8 cents. Sixteen thousand employees will receive 2.5 to 4.5 cents an hour based on reviews of city indexes.

Three Berths Left for the U.S. Meet By THE ASSOCIATED PRESS Former Walker Cup players, led by Bill Campbell and Bill Hyndman, led the way Tuesday as all but three berths were filled in qualifying tests for the U.S. Amateur Golf Championship at Des Moines Sept. 9-14. Thirty-six-hole competition at 27 scattered sites built the amateur field to 197—with three more to be added today as the Florida sectional completes three days of nationwide qualifying. Of the final field of 200 26 drew exemptions, including defending champion Labron Harris Jr. of Enid, Okla. Campbell, five times a member of U.S. Walker Cup teams, turned in the finest performance, firing rounds of 69 and 66 for a nine-under-par total of 135 at his home course in Huntington, W.Va., the chances of getting that record. Told that he was the first National League right-hander to join the 400 Club, Mays shrugged his shoulders and said, That's great, I guess."
